

# Session Six – Holy Spirit Headbands

## For this Craft you will need:

Pop Box Craft Sheet 6

Decorating materials (pens, pencils, paint etc)

Scissors

Glue or stapler

At Pentecost, the Spirit fell on the disciples and appeared as a ball of fire over their heads. Our cCraft today is a Holy Ffire headband.

Start by colouring in the flame and then and cut it out . Why not use tis-sue paper to add some texture to your flame?

Next, cut out the headband strips and use glue or staples to secure the headband to the flame.

Make sure the band fits around your head and then fix it into place using glue or staples.

You could even write your own prayer to God on the back of the flame!
