

## **ANGELS RISE**

Who can find the words to say  
And tell the story of the Saviour's day  
Hope so real and love so pure  
To show the world He can be mine and yours

Angels rise in adoration  
Lift him high in celebration  
Let the bells ring out  
Because of Christmas Day

Peace and joy the love You share  
What can we bring to show how much we care  
Give our hearts our lives away  
And sing forever of the Saviour's day

All because of the Father's love

## AWAY IN A MANGER

Away in a manger  
No crib for a bed  
The little Lord Jesus  
Laid down His sweet head  
The stars in the bright sky  
Looked down where He lay  
The little Lord Jesus  
Asleep on the hay

The cattle are lowing  
The baby awakes  
But little Lord Jesus  
No crying He makes  
I love Thee Lord Jesus  
Look down from the sky  
And stay by my side until morning is nigh

Be near me Lord Jesus  
I ask Thee to stay  
Close by me forever  
And love me I pray  
Bless all the dear children  
In Thy tender care  
And fit us for Heaven  
To live with Thee there

## **CELEBRATE**

I can feel it in my body I can feel it in my soul  
I can feel it in the rhythm gonna let Him take control

I've got a feeling that you wanna come party with me  
So we can do it like this over and over again  
And now this place is rockin  
You know there ain't no stopping  
So let's just do it like this over and over again

Celebrate your life put your hands up high  
Celebrate your life we're gonna have a good time  
Celebrate your life we're gonna party all night  
Celebrate celebrate celebrate life

Put your hands up hands up  
Put em up put em up  
(x3)  
Put your hands up celebrate life

I can hear it in the music I can feel it in the air  
Now the energy is rising I can see it everywhere

## I WANNA BE IN THE LIGHT

Look into the sky and I can see  
Every little star is there for me  
So amazing so wonderfully made  
Everything You say and all You do  
Gonna lift my hands in praise to You  
So amazing so wonderfully made

You created a better way  
So now I'll follow You

So let Your light shine down on me  
Now I can see that You gave it all  
And let Your love fall down on me  
The light that you bring is so beautiful

When I see the mountains reach so high  
When I see the ocean deep and wide  
So amazing so wonderfully made  
Every little thing is meant to be  
Everything He gave for you and me  
So amazing so wonderfully made

## **SUCH A GOOD THING**

It's Christmas time  
So let it be  
The whitest snow  
Falls down on me

Tonight we're gonna have a good time  
Tonight we're gonna have a party  
Tonight we're gonna have a good time  
Tonight tonight

Such a good thing  
Makes my heart sing  
Let the bells ring  
And the peace bring  
All the love in  
Let the joy come down

So now we hear  
The angels sing  
And we will praise  
The new born King

## SILENT NIGHT

Silent night holy night  
All is calm all is bright  
Round yon Virgin Mother and Child  
Holy Infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

Silent night holy night  
Shepherds quake at the sight  
Glories stream from heaven afar  
Heavenly hosts sing Alleluia  
Christ the Saviour is born  
Christ the Saviour is born

Silent night holy night  
Son of God love's pure light  
Radiant beams from Thy holy face  
With the dawn of redeeming grace  
Jesus Lord at Thy birth  
Jesus Lord at Thy birth

### 1. Merry Christmas Everybody

So here it is merry Christmas  
Everybody's having fun  
Look to the future now  
It's only just begun

Are you waiting for the family to arrive  
Are you sure you've got the room to spare inside  
Does your granny always tell ya  
That the old songs are the best  
Then she's up and rock 'n' rollin with the rest

So here it is merry Christmas  
Everybody's having fun  
Look to the future now  
It's only just begun

### 2. I Wish It Could Be Christmas Everyday

When the snowman brings the snow  
Well he just might like to know  
He's put a great big smile on somebody's face  
If you jump into your bed  
Quickly cover up your head  
Don't you lock the doors  
You know that Santa Claus is on the way

Well I wish it could be Christmas every day  
When the kids start singing and the band begins to play  
Oh I wish it could be Christmas every day  
Let the bells ring out for Christmas

### 3. Santa Claus Is Coming To Town

You'd better watch out  
You'd better not cry  
You'd better not pout  
I'm telling you why

Santa Claus is coming to town  
Santa Claus is coming to town  
Santa Claus is coming to town

He's making a list  
He's checking it twice  
He's gonna find out  
Who's naughty or nice  
He sees you when you're sleeping  
He knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake
